SUMMARY

I am a Computer Science graduate and certified Software Developer seeking a challenging position as a Full Stack Web Developer.

Highly proficient in JavaScript, ReactJS, CSS3, Ruby on Rails, Git, PostgreSQL, and HTML5, with a passion for creating and developing interactive and user-friendly websites. Committed to staying up-to-date with the latest web development technologies and tools and contributing to the organization's success.

EDUCATION

Moringa School, Nairobi — *Certificate*
JUNE 2022 - FEBRUARY 2023, NAIROBI

- Certificate in Software Engineering, Full Stack Web Development
- Studied advanced web development concepts such as React and Redux
- Completed several real-world projects using agile methodologies and version control

Karatina University, Karatina — *Degree*
AUGUST 2017- DECEMBER 2021, KARATINA

- Bachelor of Science in Computer Science
- Developed a strong foundation in computer science principles, including data structures, algorithms, and computer networks
- Completed several software development courses, including Object-Oriented Programming, Database Systems, and Software Engineering

EXPERIENCE

Moringa School, Nairobi — *Software Engineering Apprentice*
NOVEMBER 2022 - FEBRUARY 2023, NAIROBI
